

## Nature Activity (0-2 years)

### Nature Sensory tray – (Active me)

***“A nature sensory tray allows children to get hands on with Nature finds and to take the time to truly explore their shapes, smells, colours and textures and develop important fine motor skills too”***

#### What you will need?

- Leaves of different sizes and shapes
- Different coloured leaves
- Fruit – berries, apples, strawberries
- Grass
- Flowers
- Plant pots and spades
- Anything you can find outdoors!

**Please always remember to supervise children.**

#### Examples of Trays you can build at home:
