

3-4 years
Lets get creative

Paper plate flower

What you need

- Small paper plates
- Paint (green paint and other desired colors for flower)
- Lolly pop sticks (can be taken from (ice lollies)
- Scissors
- Glue

How to

Children can cut small slits into the outside of paper plates
Paint craft stick green and allow to dry.

Paint paper plate and allow to dry.

Glue craft stick to the back of the paper plate as the stem.

Cut two leaves from the green paper and glue to either side of the craft stick.
