## How can I teach the life cycle from caterpillar to butterfly to my baby and toddler?

"Cody the Caterpillar is nervous about changing into a butterfly. "Flying looks very tiring," said Cody. "I wish I could stay as a caterpillar forever!" Will some encouragement from her minibeast friends help her to be brave? Join Cody as she learns to embrace her exciting transformation. A story about the life cycle of a butterfly - from egg to caterpillar to chrysalis to butterfly. Cody the Caterpillar is reluctant to change but her friends, the minibeasts, including a ladybird, a bee and a grasshopper, give her some encouragement. Useful for talking to children about transition and change as well as a starting point for your minibeasts theme.
