

# Cover Your Cough and Sneeze Song

Cough cough, Sneezzy sneezy, itchy scratchy, I say please you need to cover you mouth . Cough cough, Sneezzy sneezy, itchy scratchy, I say please you need to cover your mouth.

You need to cover your mouth when you cough when you sneeze, I'm asking please.

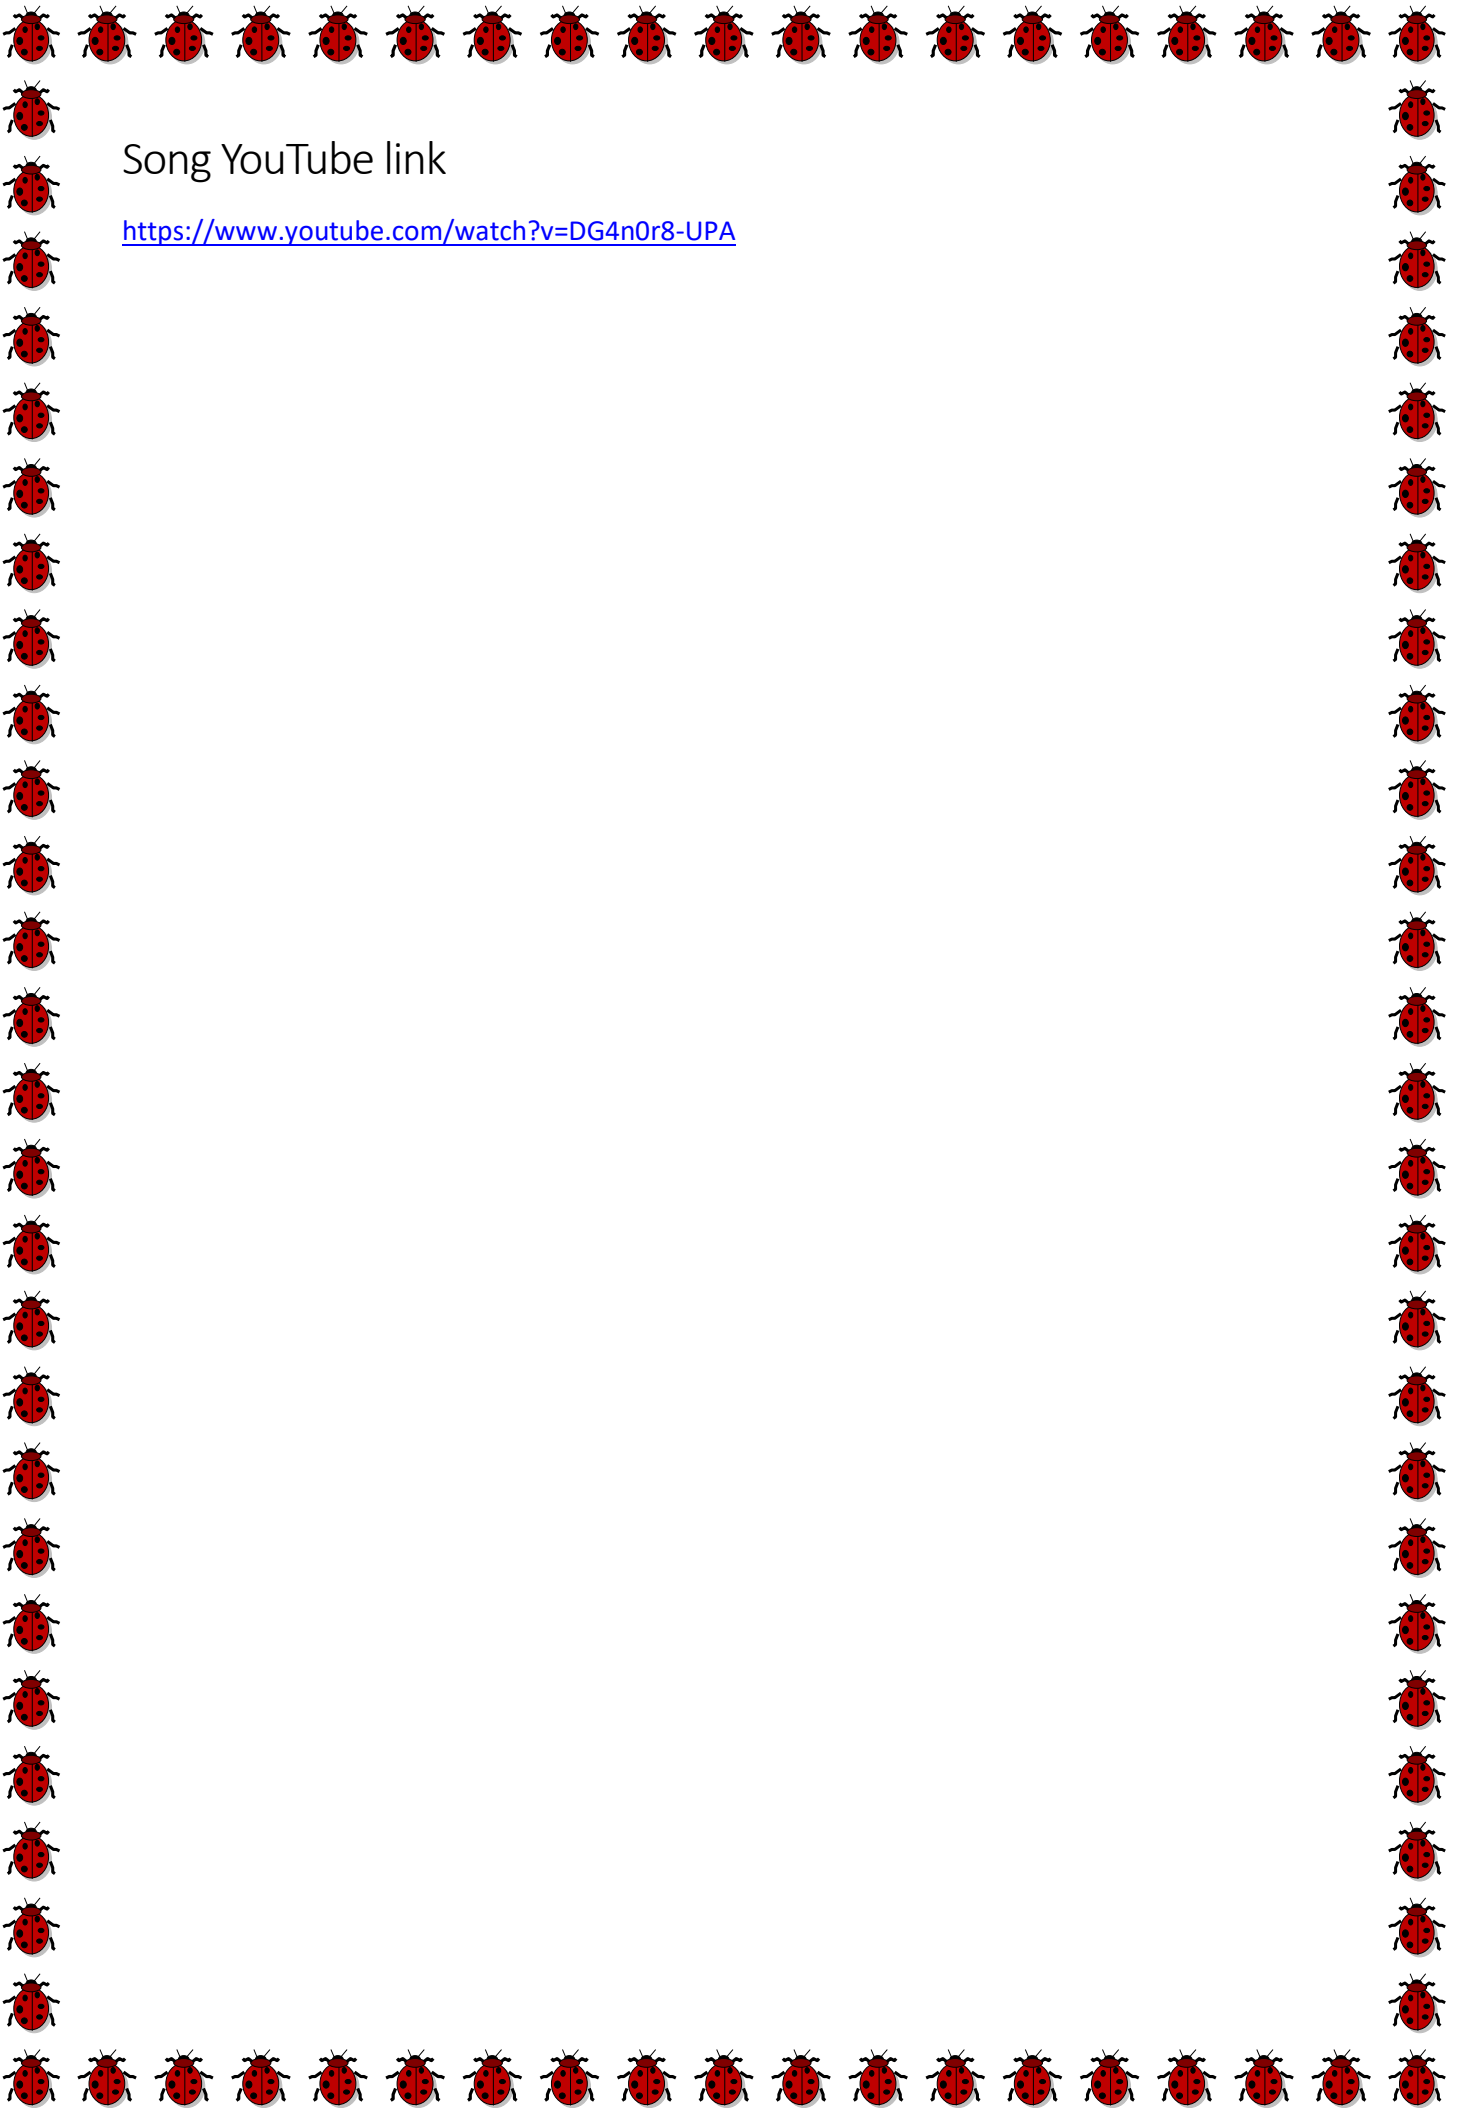

You need to cover your mouth when you sneeze, Oh I'm asking please.

When you feel that itchy throat put some tissue in your coat, If you don't then use your sleeves. Don't spread your germs when you sneeze.

You need to cover your mouth when you cough when you sneeze, I'm asking please.

You need to cover your mouth when you sneeze, Oh I'm asking please.
