

Natural Small World

What you need?

- large container
- rocks
- Dirt
- Leaves
- Sticks
- Toy animals

How to

Set out the above items in a container or on a grassed area.

Children can then use them to pretend play, pretending to be the different animals hiding and finding them under the dirt and rocks, also using their imagination to pretend the animals are eating the leaves. Also building role play around the animals for example a dinosaur might need saving.
