

My Family Pictures

You will need:-

Lollipop/craft sticks

Paper/card

Colouring pencils/crayons/paint

Glue

Instructions:

Assemble the sticks to create a frame. This can be any shape you like. Why not paint it your favourite colour?

Talk to your child about their family. The roles of different family members, who is the tallest? Who is the eldest? You can even take a look at some family photos!

Encourage your child to draw a family picture on a piece of paper which is cute to the size of the frame. They can draw, paint, collage- Their choice!

Stick the picture on the frame once dry.

Hang in your home for all to see 😊
