

## **Making Summer Fruits Ice lollies Project**

Why not make a refreshing snack to take out with you when enjoying the outdoor weather

### You will need:

Ice lolly moulds

Water

Squash

Selection of fruits

knife

### Instructions:

Support your child to choose the fruits they would like to flavour their ice lolly.

Support them to cut these independently

Place the fruits into the moulds

Top up the mould with your favourite flavour squash or water

Freeze for a couple of hours

Enjoy ☺
